

# SAUL GARCIA

+52 (656)-826-7439    segarcia7@miners.utep.edu    linkedin.com/in/saul-garcia-luevano    www.saulgweb.com

## Education

### University of Texas at El Paso

*Bachelor of Science in Computer Science*

**Anticipated: 06/2029**

*GPA 3.78*

### Preparatoria Tecmilenio

*High School Diploma, Honors Graduate*

**08/2021 – 05/2024**

*GPA: 4.0*

## Certifications & Technical Training

### Workforce Web Development Accelerator

**09/2025 – 12/2025**

*El Paso Innovation Hub (Endorsed by Microsoft)*

*El Paso, TX*

- Acquired full-stack skills in a 12-week intensive, developing dynamic web applications using HTML, CSS, and JavaScript (DOM/ES6+).
- Implemented automation, AI integration, and Git version control to streamline the software development lifecycle.

### Introduction to Databases: SQL and NoSQL

**08/2022 – 12/2022**

*IA Center (Endorsed by Microsoft)*

*Juarez, Chih*

- Learned fundamentals of relational and non-relational database systems using MySQL, SQL, NoSQL, and Navicat.
- Gained hands-on experience designing schemas, managing data, and working with client-server environments.

## Skills

- **Front-end:** HTML, CSS, Tailwind CSS, JavaScript
- **Back-end:** Java, Python, SQL, NoSQL
- **Languages:** English (Fluent), Spanish (Native)
- **Technologies:** VS Code, MySQL, Git/GitHub, Windows

## Experience

### Sodexo

**12/2024 – Present**

*Station Attendant (Part-time)*

*El Paso, TX*

- Assure the necessary food and service equipment/utensils are secured for assigned area prior to meal service.
- Provide customer service by taking orders, delivering food/beverages, handling transactions, and maintaining a clean work environment.

### Malanche Microsystems

**05/2023 – 07/2023**

*Engineering Assistant*

*Juarez, Chih*

- Supervised and tracked the repair of electronic equipment, such as printers, computers, and screens.
- Assisted in the planning and installation of security equipment for businesses, including fingerprint readers and security cameras.

## Projects

### Personal Developer Portfolio | WWD Accelerator

**12/2025**

- Developed a responsive Single-Page Application (SPA) to showcase academic projects and certifications, utilizing Tailwind CSS for utility-first styling.
- Engineered custom JavaScript logic to handle scroll-snapping navigation, tabbed content switching, and interactive modal image viewers without external UI libraries.
- Integrated Prism.js to render syntax-highlighted code snippets dynamically and deployed the final application via GitHub.

### Relational Database for Local Businesses | Intro to Databases

**02/2023**

- Designed and developed a relational database using MySQL and Navicat to support local businesses in managing large transactions.
- Implemented a system that allows efficient recording and tracking of sales, improving accounting accuracy.

## Awards and Honors

- Recipient of the Structural Engineers' Association of Texas (SEAOt) scholarship (2024 and 2025).
- Dean's List: Fall 2024 and Spring 2025.
